WELLNESS

Resident wellness is strongly supported by Gerald Champion Regional Medical Center. We strive to provide a healthy work-life balance and provide safe and anonymous outlets to express concerns and areas of improvement.

RESEARCH

Work with board certified faculty on research that can be presented at the national level. Program provides financial support for accepted poster and case presentations.

The mission of the GCRMC Family Medicine Residency Program is to train family physicians to provide evidence based, compassionate care to the people of Otero County and the surrounding communities. To that end, we pledge the following:

PEOPLE FIRST

QUALITY OVER QUANTITY

LEADERSHIP

COMMITMENT TO WELLNESS
