butterfly
when you
support the
GCRMC
Foundation.*

The Gerald Champion Memorial
Hospital Foundation is a 501 (c)
(3) non profit organization.
GCRMC provides many services to
the community that are
uncompensated.

Gifts to the foundation are
tax deductible and utilized
to support the mission
of the medical center.

More information about the
foundation will be available
in the near future.

The foundation office is located
directly off the main lobby.

For more information, contact
Lillie Lewis at (575) 443-7850.

Future Growth

A STRONG FOUNDATION

Gerald Champion Regional Medical Center Foundation was founded September 3, 1985. The mission of the foundation at that time was to support members of the community seeking healthcare careers. Physicians, midwives and nurses have been the recipients of GCRMC Foundation scholarships.

During challenging times the foundation has been a resource to support the needs of the hospital and NMSU-A. Each year the foundation continues to support students through their college careers as well as adding new students.

For the 2021 school year, the foundation will be disbursing \$49,000 in local healthcare scholarships. 24 students are receiving support and 19 of the 24 students are new recipients.

The uncertainties of healthcare has prompted the foundation to take a greater role in supporting the continued growth of the hospital. All hospitals are facing challenging futures with the desire to bring the best healthcare to their community while seeing a decrease in reimbursement for quality patient care.

The GCRMC Foundation stands with our hospital to continue providing exceptional healthcare close to home. We support caring for our families and friends in our community.

The GCRMC Foundation seeks the continued support of the community to keep great healthcare at our hospital.

The foundation has led a 4 year capital campaign to benefit the expansion and renovation of Champion Cancer Center. The campaign raised over \$300,000 and received a 100% match from the hospital. The construction will begin in September 2021 with an expected completion in Spring 2022.

Please consider a tax deductible gift to the GCRMC foundation. At this time, we are planning an expansion and renovation of Champion Cancer Center. If you designate your gift for the improvement of cancer care in our community there will be a dollar-for-dollar match by the hospital, every dollar you give will go twice as far.

HOW CAN I GIVE?

Donate by credit card or check and mail to:

GCRMC Foundation
2669 Scenic Drive
Alamogordo, NM 88310

Donation Amount: \$ _____

☐ Check (Please make check payable to GCRMC Foundation and enclose)

☐ Credit Card (Please fill form below)
