

Mission Statement:

The mission of the GCRMC Family Medicine Residency Program is to train family physicians to provide evidence based, compassionate care to the people of Otero County and the surrounding communities.

To that end, we pledge the following:

 **PEOPLE FIRST**

 **QUALITY OVER QUANTITY**

 **LEADERSHIP**

 **COMMITMENT TO WELLNESS**

Research

Work with board certified faculty on research that can be presented at the national level. Program provides financial support for accepted poster and case presentations.

Application Requirements

A completed application with all supplemental documents through the Electronic Residency Application System (ERAS) must be submitted to be considered for a position.

You must be a graduate of a LCME-accredited medical school, AOA accredited osteopathic school, ECGMG certified International medical graduate, or completed a Fifth Pathway program in a LCME-accredited school.

Successful clearance of fingerprinted background check and drug screening.

Wellness

Faculty, Resident, and Staff wellness is strongly supported by Gerald Champion Regional Medical Center.

We strive to provide a healthy work-life balance and provide safe and anonymous outlets to express concerns and areas of improvement.
